

## Al Rostamani Pegel awarded Corporate Social Responsibility (CSR) Label 2015 by Dubai Chamber of Commerce and Industry

Al Rostamani Pegel L.L.C. (ARP), member of the Al Rostamani Group, was today awarded the Corporate Social Responsibility (CSR) Label 2015 for the third year running by Dubai Chamber of Commerce and Industry, for implementing responsible business practices. This award recognises ARP as a responsible business enterprise who manages its business impacts on the workplace, the marketplace, the local community and the environment.

ARP has been one of the leading civil engineering construction companies in the UAE for the past 16 years and continues to contribute to the development of the Dubai and Abu Dhabi skylines.

ARP is an active member of the Dubai Chamber's Sustainability Network and is one of only a few contracting companies that has been awarded the Dubai Chamber's CSR Label, for its corporate social responsibility (CSR) performance for the third consecutive year.

It hosts an impressive project portfolio that includes the iconic Dubai Frame, luxury five-star hotels, high rise residential, commercial and mixed-use buildings, and several infrastructure projects such as schools, electrical sub-stations, hospitals and souqs.

With its pioneering spirit, ARP continues to strive towards achieving excellence and shaping new horizons in the civil engineering industry.
